

Candidate for the Position of INCOSE Secretary

Ashok Jain

Vision

My vision as Secretary of INCOSE is to collaborate with BODs and other stakeholders to help the organization meet its mission and objectives. I will engage with the membership through its committees to streamline processes and procedures to run the organization efficiently and remove operational roadblocks for all its stakeholders. I would actively participate in or lead the digital transformation of the organization.

Bio

Ashok, a born System Thinker, has 30 years of experience in the Aerospace Industry. He retired as Systems Engineering Executive at Safran Seats and is currently an active management consultant at his Innovational Business Solutions, LLC. He is a solution-driven, innovative technology and business development leader who drives organizational development & transformation in engineering, program management, and global operations. Ashok has previously left his mark at Zodiac Aerospace, Pratt & Whitney, Hamilton Sundstrand, and Honeywell International.

Ashok has been a Member of INCOSE since 1998 and has served as Associate Director of the INCOSE Technical Board. He previously led the Systems Engineering Application Technical Committee and INCOSE-PMI Liaison committee.

Ashok is a certified Project Management Professional (PMP), Certified Systems Engineering Professional. Six Sigma Blackbelt and more than fifty patents to his name. Ashok earned his Executive Master of Business Administration from Arizona State University and a Master of Science in Aerospace Engineering from the Indian Institute of Technology, Kanpur, India, and the University of Cincinnati, Ohio, USA.
